12 September 1960

MEMORANDUM FOR: Director of Training
C/OS/TR

SUBJECT : "Publicity"

25X1A

1. As reported in the A/DTR's staff meeting on 9 September 1960, [REDACTED], IG Office, called me earlier that morning to inform OTR as follows.

2. During a very recent routine IG interview, a returnee from the Africa Division stated very indignantly that he had never heard of the CSR course from his division, but had learned of it from a friend. Since he had been overseas for 4 1/2 years, he believed he badly needed this type of refresher, and has enrolled (or is about to enroll).

3. It is suggested that DTR or C/OS urge the DDP-TRO to have it made an SOP in every division that all qualified returnees be notified of the CSR, and appropriate arrangements be made for their early attendance. This could be a Personnel or Division Training Officer function.
